Greetings and Welcome

Welcome to the 2017 Caterham Festival. Once again we have well over 140 events for you to enjoy. We hope there is something for everyone and what we originally envisaged as a week, or possibly a two week event now runs for over 4 weeks. This will be the 9th Caterham Festival with many of your favourite events as well as some new ones. I trust you will all be able to get out and about, to try something different.

Since the start of the Festival we have always had some big events at the beginning with two days of De Fest, The Street Party and the Food Festival. Last year we held a Festival finale with The Oxted band performing Last Night of the Proms, along with a Beer Festival the Beacon. This popular event will be back this year with the Caterham Games and the Caterham Prosecco championships.

This year the Miller Centre are organising another three days of Jazz at three different locations in Caterham Valley and there are some top performers appearing.

Each year I attend as many events as I can and have a great time meeting people and trying out new things. I didn’t try the Waller pain last year; my old record as the fastest person will always be a proud moment (I went first) but think it’s time to retire.

Further details will be available soon on our website, caterhamfestival.org or on our Facebook page. I hope I will see you there.

To everyone who helps us by running events, by assisting at events and helping the organisers, I send my very grateful thanks. Caterham is a marvellous place to live which is thanks to you all for making it that way.

Andy Parr M.B.E.
Chairman

Did you know: that if you use a comparison company to buy your insurance, you become a statistic or a number on a screen. Never a client! They won't come and see you to review your insurances, provide independent advice and worse still, will never come out if you have a claim. You could even end up in an Indian call centre where they don't speak English very well. You get what you pay very little for!
Insurance is a very technical subject. It's not like buying a loaf of bread.

Caterham Festival 2018

The Festival Team is already planning the 2018 Festival and are looking at new events. If your organisation would like to be involved or you have an idea that you think might work for the Festival, please get in touch with Andy Parr on 01883 340000 or info@caterhamfestival.org

Founded in 1977, The Miller Centre provides daytime leisure activities from Art to Yoga and is also a professionally equipped theatre offering a diverse range of entertainment.

Situated in Godstone Road, Caterham, opposite St John’s church, the distinctive building was previously a church and then a school. It is named after Dorothy Miller, founder of The Caterham Players.

Our fully air conditioned theatre seats 200 in comfort and is equipped with surround sound and an induction loop. There is a well stocked licensed bar, open on show nights.

For more details, please call in for an information pack:
